

INDUSTRIAL COMMISSION RULE CHANGES

EFFECTIVE DECEMBER 1, 2018

11 NCAC 23A .0108 AND .0609A – MEDICAL MOTIONS

- Medical motions, responses, and appeals of administrative orders on medical motions filed pursuant to Rule 11 NCAC 23A .0609A shall be submitted to the Commission via EDFP. An exception applies for parties without legal representation.
- Removes the requirement to provide unnecessary information in the body of a medical motion – including the carrier’s name and contact information, adjuster’s name and contact information, and other information readily available in the Commission’s records.
- Medical motions and emergency medical motions must include a statement of the opposing party’s position or “that there has been a reasonable attempt to contact the opposing party and ascertain its position.”

11 NCAC 23A .0302 – REQUIRED CONTACT INFORMATION FROM CARRIERS

- Requires all insurance carriers, third party administrators, and self-insured employers to designate a primary contact person for workers’ compensation issues and provide their contact information via email to rule302@ic.nc.gov annually on July 1.

ADDITIONAL CHANGES

- Rule 11 NCAC 23A .0618 was repealed because the Code of Judicial Conduct applies to Commissioners and Deputy Commissioners. The Code of Judicial Conduct governs disqualifications and recusals, making the rule repetitive and unnecessary.
